Format	234x156mm	234x156mm
ISBN(13 digits)	978-0-230-01986-7	978-0-230-01987-4

What can language tell us about society? Looking at a range of genres, from political speeches to internet chat, this book shows how qualitative methods are used to analyse discourses throughout the social sciences. The practical problems of designing and conducting discourse-based research are solved in this key resource for all social scientists.
